

# GPS BASED LOCATION TRACKING & ATTENDANCE MANAGEMENT SYSTEM

Advanced Enterprise Solution for Workforce Management & Analytics

## KEY FEATURES & CAPABILITIES

### REAL-TIME LOCATION TRACKING

Monitor and track real-time location of employees with precise GPS coordinates and continuous updates for enhanced workforce visibility.

### ATTENDANCE LOCATION VERIFICATION

Ensure attendance accuracy with location-based verification to confirm employees are present at designated work sites.

### GEO-VERIFIED CLIENT VISITS

Validate client visits with geographic location confirmation, maintaining detailed visit logs for audit compliance.

### ADVANCED REPORTS & ANALYTICS

Access comprehensive reporting suite with intuitive dashboards, detailed analytics, and customizable business intelligence.
